

ONE DAY NATIONAL SEMINAR ON CONSTITUTION OF INDIA

“One day national seminar” was organised on 27th August 2022 with an objective to inculcate a feeling of importance among the students and staff members about our constitution. So with this view we organised this seminar, and in order to make this event successful, we invited some prominent speakers from top universities and from judicial department.

And we are glad to say that even they have helped us a lot by inspiring our students and various participants from other colleges by sharing their immense knowledge regarding constitution. That day i.e., 27th August 2022 was one of the remarkable day of Chaitanya women’s college as we found enormous level of zeal and enthusiasm among our students while interacting with the speakers.
