

# WORLD AIDS DAY

**[DECEMBER-1-2022]**

**World AIDS Day** occurs on December 1 and was established by the World Health Organization (WHO) in 1988 to facilitate the exchange of information among national and local governments, international organizations, and individuals. People around the world unite to show support for people living with HIV and to remember those who have died from AIDS-related illnesses.

## **THEME OF WORLD AIDS DAY-2022**

Each World AIDS Day focuses on a specific theme, In this year “To keep everyone safe, to protect every one`s health , we need to equalize”.

## **ACTIVE PARTICIPATION OF STUDENTS ON AIDS DAY**

On 1st of December 2022, the world's AIDS day our students from the department of Zoology conducted rally to create awareness among people about AIDS like it's causes, transmission, epidemiology, symptoms, treatment and prevention measures etc. Regarding this our students gathered the quotes and prepared perfect posters and explained people about AIDS and its transmission.

## **OUTCOMES:**

- 1. Creating awareness about preventive measure of AIDS.**
- 2. To avoid discrimination of AIDS patients.**
- 3. Giving moral support to the AIDS patients**
