

DEPARTMENT OF MATHEMATICS

REPORT ON FIBONACCI FUN DAY

NAME OF THE ACTIVITY	:FIBONACCI FUN DAY
DATE	: 23RD NOVEMBER 2022
STUDENTS PARTICIPATED	: All BSc Maths stream & MSc Mathematics students
IN-CHARGE FACULTY	: Department of Mathematics
OBJECTIVE	: To make the students aware of Fibonacci series and its applications in real life.

REPORT : Fibonacci Fun Day is celebrated on November 23rd 2022 in the honour of Leonardo Bonacci, one of the most influential mathematicians of the middle ages. Students learned how to create Fibonacci sequence, understand and organize material they have learned as well as helps them solve problems. Students actively prepared charts displaying Fibonacci series.
