Gajuwada,
Visakhapatnam.

Respected Sir/Madam,

Sub: Student registration for INSA Lecture workshop at GITAM, Visakhapatnam – Reg.

I wish to bring to your kind notice that we are organizing Indian National Science Academy (INSA) lecture workshop on “Recent Trends in Genomics and Transgenesis” on 8th & 9th August, 2022 for final year under graduate students at GITAM, Visakhapatnam campus. Renowned academicians from premier organizations from all over India will be delivering talks in this programme. This will help the students to get motivated towards basic sciences. I request you to kindly circulate this information among all final year life science students from your college and encourage the students to participate in the programme.

Thanking you,

Yours sincerely

EMAIL – Received from GITAM for postponement of workshop due to unavoidable circumstances. It had postponed to 16th & 17th dates of August 2022.

Fwd: INSA Lecture Workshop- GITAM- Rescheduled

sireesha garimella <sgarimella@gitam.edu>
to Principal@chaitanya.college

Respected Sir,

Greetings!

At the outset, we would like to thank you for accepting our invitation and encouraging your students to participate in the INSA **ADVANCES IN GENOMICS AND TRANSGENESIS**® being organised by our department at GITAM, Visakhapatnam.

The program was originally scheduled for August 8-9, 2022 but due to unavoidable circumstances, it has been postponed to a change in dates and share it with the students too. Please find attached the poster with revised dates and we request you to

We will send our staff to collect the registration forms, once we know you are ready. We would like to restrict the participation. However, if possible, we would accommodate more. So please collect information about interested candidates, exceeding the

Looking forward to meeting your students at the workshop.

Thank you
Sireesha

Total number of students are interested to participate in INSA lecture workshop on Recent advances in genomics and transgenesis.

OPINION OF STUDENTS ON WORKSHOP

The Workshop was extremely helpful and worth the wait of weeks.

We are given clear and greater insights on the recent advances. Sowe glad we was a part of it.
