

DEPARTMENT OF MICROBIOLOGY

STATE SEMINAR ON RECENT ADVANCES IN AQUATIC ECOSYSTEM

Our students have attended the state seminar on “Recent Advances In Aquatic Ecosystem’ as per the cordial invitation from St. Ann’s college and 3 of our students have presented their Studies on the topic.

The poster features a vibrant underwater scene with various marine life, including a large blue fish, a green seaweed-like plant, and smaller fish. The text is centered and uses various colors and fonts to highlight key information. Logos of St. Ann's College of Women and the Department of Life Sciences are visible at the top.

ST.ANN'S COLLEGE OF WOMEN
(Permanently affiliated to Andhra University)
Recognized under 2(f) & 12(b) of the UGC Act, 1956
Accredited with 'A' Grade by NAAC
Visakhapatnam
Department of Life Sciences
Cordially invite you to the State Seminar
On
“Recent Advances in Aquatic Ecosystem” - RAAE-2022
On Wednesday, 7th September 2022 at 9.00AM, St. Ann's Auditorium

Chief Guest
Dr. K. Ramesh Babu, Associate professor
MLR Department, Andhra University

Guest of Honor
Dr. U. Sreedhar
Scientist-IN-CHARGE
PRINCIPAL SCIENTIST, ICAR-CIFT
VISHAKAPATNAM

Chair Person
Dr. Sr. Prema Kumari - Principal
Local Co-Ordinator: V. Anjali Devi

Convener: Dr. Prasanthi
Associate Professor
Department of microbiology
Contact No : 8096530362

Organizing Committee Members
G. Lalitha Reddy- Vice Principal
Dr. Adi Seshu - HOD, Dept of Botany
D. Jayasree - Department of Commerce

Submission of Abstract Deadline: September 5th 2022 through mail
stamsseminar2022@gmail.com

EMINENT SPEAKERS Dr. K. Ramesh Babu

Dr. K. Ramesh Babu is an Associate professor in MLR Department at

Andhra University. He has expressed his concern for the exploitation of the marine Living resources by human pollution. Some of his articles published are-

- Nutrient Composition and antioxidant properties of gonads of

Sea urchin *Stomopneustes variales*.

Seasonal variations of physiochemical parameters in

Coastal water in the range of Vishakhapatnam

Some aspects of biochemical and microbiological Analysis Of sun dry fish. Etc

Dr. U. Sreedha Sreedhar

He is the scientist-in charge and a Principal Scientist at ICAR- CIFT

Our students giving presentation at St. Ann's college

Presentation topics

Aquatic microbes – small size , global impact

Bioluminescence
