

VANAMAHOTSAV

Vanamahotsav day is a tree-planting festival that is celebrated in the first week of July, from 1-7. It is observed to spread awareness about the importance of forest, woodlands and trees in our lives.

OBJECTIVE:

The festival marks the hope of creating more forests and planting more trees around us. It also gives the idea of increasing the more production of a food resource providing shelter and shades for cattle, reduction in drought and other natural calamities.

On the occasion of vanamahotsav our students went to YASHODA VIDYANIKETHAN and planted few saplings of following species:

Mangifera indica - Mango

Citrus limon - Lemon

Ocimum tenuiflorum - Tulsi

Syzygium cumini - Jamun
