

OPEN DEFECACTION AWARENESS RALLY

The survey has been by the volunteers regarding houses who do not maintain toilets and also recognised some houses who do not have open defecation as devastating consequences for public health. Faecal contamination of the environment and poor hygiene practices remain a leading cause of child mortality, morbidity, under nutrition and can potentially have negative efforts on cognitive development.

SWATCH BHARATH RALLY

Swatch Bharath is such an initiative in which the participation for every individual is equal and very important. The cooperation of the students plays the most important role in making the campaign truly successful. The students should be taught the process and benefits of land filling so that they can motivate their parents and neighbours to adapt to it instead of spreading the pile of garbage.

ROLE OF YOUTH IN POLITICS

Importance of vote casting & choosing the right person as a leader. youth plays a very crucial role in the local development . They can bring their knowledge of sustainable and innovative perspectives in the planning process. political activity can be valuable in itself ,it socialises and educates citizens and popular participation can check powerful

SWATCH BHARATH RALLY

Improved waste management practices and increased awareness and participation in promoting cleanliness and hygiene among the community. Swatch Bharath is a competitive framework to encourage cities to improve the status of urban sanitation while encouraging large-scale citizen participation. It has led to a spirit of health competition among cities and towns in India

SURVEY ON HEALTH ISSUE IN TUNGLAM VILLAGE

A large number of volunteers who lined up to spread awareness on malaria and dengue by giving demo with the help of charts showing how the disease attacks during monsoon season. The focus of the procession was to educate people and make them understand the importance of maintaining a healthy environment.

donate BLOOD - SAVE A LIFE

WORLD AIDS DAY

The rally successfully raised awareness about HIV/AIDS and its impact on society and encouraged students and the community to take protective steps towards reducing the spread of HIV/AIDS and cultivated a sense of social responsibility towards public health issues. The placards stated that the disease was not a problem of an individual, but a problem of society and it could be resolved by fighting together.

VISIT TO ORPHANAGE

It was indeed a very satisfying experience for students as they could bring smiles on the faces of the children with interaction and conducting games. A visit to an orphanage is a life changing experience as it is filled with emotions and sentiments.

CERTIFICATE OF APPRECIATION

We are truly grateful for Chaitanya degree & P.G College for women of their frequent Visits and Contributions to our orphanage. Your generosity and support have made a significant difference in the lives of children under our care and we are deeply grateful for your ongoing commitment to our orphanage.

This certificate is presented to you as a token of appreciation for your continuous support and generosity.
