National Mathematics Day 2023

22nd Dec 2023

**Organised by
Department of Maths**

$$\int_a^b f(x) dx = 0$$

A Report on Celebration of “National Mathematics Day” on 22nd December 2023

December 22 was designated as, National Mathematics Day by government of India in 2012. This day is celebrated every year to mark the birth anniversary of legendary Indian mathematician, Srinivasa Ramanujan. The celebrations aim at spreading awareness about the importance of mathematics and the contributions made by Srinivasa Ramanujan, in the field of mathematics. Our college celebrates this day by taking various activities like Poster Presentation, Essay Writing Competition Mathematics quiz, Rangoli Competitions. The program was presided over by the Director P.Krishna Kumari. The dais was graced with the presence of Mr.H.Jogarao & Mrs. N.Sailaja. The event was inaugurated by laying a wreath on the photo of Srinivasa Ramanujan. At this time 1st B.Sc Students performed Ganesh Vandana in their melodious voice. The introductory speech of the program was delivered by the student member. In her introductory speech, explained the purpose of the program and outline of the program. After that the students, expressed their thoughts on the importance of mathematics in daily life and Srinivas Ramanujan’s contribution in mathematics. Then Head of the Mathematics Department, explained the purpose of the celebration of National Mathematics Day. In his presidential address, Mrs.P.Krishna Kumari appreciated all the students and wished them a happy National Mathematics Day. She also hoped that all the students would take in-depth knowledge of mathematics and make every effort to get their name in the merit list of the university. After this all the winners were presented with momentos for their excellence in different activities conducted by celebrating National Mathematics Day, the students got to know about the contribution of Srinivasa Ramanujan in Mathematics. Also the interest of the students in mathematics increased and students understood the importance of mathematics in their daily life. Thus the purpose of celebrating National Mathematics Day was achieved.
